## ABOUT US

Lakshya Institute of Technology (LIT), Bhubaneswar, established in 2016 by Prof. Susant K. Rout, is dedicated to bridging academics and industry. Affiliated with Utkal University, LIT offers +3 degree programs in Computer Science, BCA, ITM, and Data Science, along with a Higher Secondary School and LIT Training for advanced skill development—providing students a strong academic foundation and career-focused education.

Our Mission is to constantly endeavour to establish LIT as a centre of excellence in IT education landscape.

Our Vision is to maintain academic excellence towards achieving the pinnacle of glory as the top IT manpower provider in the country.

## OBJECTIVE

### LIT

Lakshya Institute of Technology (LIT) under Utkal University offers BCA, B.Sc. in Data Science, Computer Science, and ITM. We focus on communication, technical skills, university curriculum, and placement training to build confident, career-ready professionals.

### LHSS

Lakshya Higher Secondary School aims to provide high-quality education, fostering scientific curiosity and critical thinking. We build strong foundations and practical skills to ensure JEE/NEET success and nurture future professionals.

### LIT TRAINING

Master your future at LIT Training! We empower engineering students with expert-led courses in Java, Python, AI, MERN Stack, and Data Structures, more, bridging the gap between campus and career with our Pay Once, Learn for Life model.

## FOUNDER'S DESK
